What are your guiding principles?

Freemasons use four important guiding principles to help define their path through life: integrity, friendship, respect and charity.

In today's world filled with uncertainty, these principles ring as true as they have at any point in the organisation's history.

One of the oldest social and charitable organisations in the world, Freemasonry's roots lie in the traditions of the medieval stonemasons who built our cathedrals and castles.

"I've only been a Freemason for a short time, but the warmth and welcome I have experienced have been amazing. It has been a rich and rewarding experience."

Membership is open to people from all backgrounds and the organisation's aim is to empower members to be the best they can be – it's about building character, supporting members as individuals, and helping them make a positive contribution to society.

*"The values of
Freemasonry guide
me in everything that
I do. It touches every
part of my life."*

GARETH
SACKVILLE LODGE

Freemasonry provides a structure for members to come together under these common goals, enabling people to make new friendships, develop themselves and make valuable contributions to charitable causes.

■ INTEGRITY:

Building good people

Rather than working on buildings like the masons of old, today's Freemasons focus on building themselves as people of integrity, and membership provides the structure to help achieve that goal.

"Being a man of integrity is important to me. The daily examples of my fellow Freemasons inspire me and reinforce my desire to act with integrity at all times in my life."

JOHN
PRESTON PARK LODGE

"The bonds and friendships that being a Freemason has given me are like no other. I have made so many truly wonderful and lasting friendships through Freemasonry."

STEVE
DIRIGENTES LODGE

At an individual level, being a Freemason gives members a sense of purpose, supporting and guiding them on their journey through life. Collectively, members are bonded through a sense of unity and equitability – principles fundamental to Freemasonry.

THE HISTORY OF THE HANDSHAKE

Historically, stonemasons travelled from place to place to secure work. At this time, handshakes were commonly used as a means for stonemasons to identify themselves, proving their level of experience and indicating what position they held. Today, in recognition of this practice, handshakes are used ceremonially as a way of identifying the various levels within Freemasonry.

FRIENDSHIP:

Building together

One of the oldest social organisations in the world, Freemasonry is not defined by an ideology.

It is open to people from all religions and political persuasions, and provides the common foundation for friendships between members, many of which will last for life.

"Freemasonry has given me the opportunity to develop a wide circle of friends from many different walks of life. Not only are we good friends, we are all brothers in Freemasonry. That's a deeper friendship."

Being a Freemason means something different to each person who joins, but whether looking to make acquaintances or develop their own potential, all members share a sense of togetherness that strengthens their ability to succeed and grow.

"I've made some amazing friendships through Freemasonry with people that I would never normally have met. My social circle is so much wider now."

BUILDING FRIENDSHIPS FOR LIFE

From university schemes, to new masons clubs, to special interest Lodges, Freemasonry gives members many opportunities to make friends for life. Finding bonds with people who share common interests and meeting people from all different backgrounds are only some of the ways Freemasonry can help cultivate lasting friendships.

RESPECT:

Building unity

With a membership of more than 200,000 people drawn from communities across the UK, Freemasonry brings people together irrespective of their race, religion or any other perceived differences that can divide us as a society.

"There are few things more inclusive than Freemasonry. No matter what your race, background, religion or occupation you are welcomed into Freemasonry. That inclusivity is important to me."

RYAN

"Freemasonry makes you reflect on yourself as a man. It makes you think about your values and the principles that are important to you. That helps me make better decisions in my life."

Our members are proud to be Freemasons, and they are encouraged to talk openly about what the organisation does and what it means to be part of it.

FEMALE FREEMASONS

There are two female-only Grand Lodges, the Honourable Fraternity of Ancient Freemasons (HFAF) and the Order of Women Freemasons (OWF). The HFAF and OWF follow exactly the same ritual and wear the same regalia as male Freemasons – and they often work closely with community and charity projects.

Female Freemasons Annie Besant and Charlotte Despard were prominent figures in the push for universal suffrage in the early twentieth century. Besant was a British theosophist and women's rights activist who also established the first UK lodge of the International Order of Co-Freemasonry (Le Droit Humain) in 1902. Despard, an Anglo-Irish suffragist, pacifist and novelist, was a founding member of various reformist organisations whose presence lives on today in the North London pub named in her honour.

CHARITY:

Building compassion

Kindness and charitable giving are deeply ingrained within the principles of Freemasonry. The organisation provides a support structure that helps members make positive contributions to communities and worthwhile causes through fundraising events or volunteer work.

"The work that the Masonic Charitable Foundation and the Sussex Masonic Charitable Foundation, CIO does in supporting our Sussex communities really makes you stop and think about the crucial role that Freemasons play in so many lives."

ANDREW
SUSSEX MASTERS'

Individuals can make an important contribution at local, national and global level by giving both their time and money. Thanks to their efforts, Freemasonry is one of the largest charitable givers in the country, contributing more than £48m to deserving causes in 2018 alone. Freemasons don't only donate money – over 5 million hours of volunteer work was undertaken by Freemasons in 2018.

"When I see the incredible way that Freemasons support international, national and local charities so wholeheartedly, and the good that support does, it makes me proud to be a Freemason."

FREEDOM OF THE CITY

In 1894, facing financial crisis, Manchester City Football Club was offered a helping hand by the Freemasons. In acknowledgement of the organisation's act of charity, the club adopted Masonic colours, giving them the light blue shirts that are so recognisable to football fans today.

Membership

Becoming a Freemason means you'll be joining more than 200,000 members throughout England and Wales as well as Districts overseas.

Membership is open to any man over the age of 18 irrespective of their race or religion, and women are invited to join one of two female-only Grand Lodges: The Order of Women Freemasons and the Honourable Fraternity of Ancient Freemasons.

In total, we have more than 7,000 Lodges, with students also able to join one of the 81 University Scheme Lodges.

"Putting the effort into getting our ceremonies right is important, but there is also great fun and comradeship to be had as we dine together afterwards."

PAUL

Lodge meetings are typically held in two parts. The first involves more administrative procedures, such as proposing and balloting for new members and receiving news about charitable fundraising.

The second part focuses on ceremonies, which might relate to areas such as the admittance of new members or the installation of the Master of the Lodge and his officers – a process made up of three degrees, or stages, each one marked by a special ceremony.

True to the sense of friendship and togetherness among Freemasons, meetings are also social events, providing an occasion for members to dine together.

Outside of the Lodge, activities include community fundraising and volunteering activities as well as a varied programme of events where spouses, partners and families are welcome.

FINDING THE RIGHT FREEMASONRY FOR YOU

There are many specialist Lodges in Freemasonry. In Sussex you will find Lodges focused on football, motorcycling, shooting, rugby and classic motoring. There are also four New and Young Masons clubs across Sussex, providing opportunities for newer masons to meet and make friends with others in the same stage of their masonic journey outside of their own Lodge.
